

School Fees As From 2026 January – November

Please note that a child registered during any date in a month, will be deemed to have enrolled from the 1st day of said month when enrolment takes place.

All school fees must be settled before the end of the year failure to which legal actions will be taken. Thank you to parents who have paid in full or are paying on time. The school cannot pay its monthly bills for salaries and water electricity, as many parents are not paying on time. None/Slow payment hampers our functionality. Please help keep the school running efficiently, by paying fees on time.

**Registration for 2026 is now open. Excellent educare for your child.
